

Fire Evacuation Directions

Please follow the following instructions when the building fire alarm is activated.

1. **Grab** your children and your pets.
2. **Proceed** to the nearest exit.
3. **Make note** of anyone you still see in the building. If you see anyone struggling that you are not able to assist out of the building, please let fire personnel know who and where.
4. **Do not push** anyone out of your way.
5. If the nearest exit has smoke or fire, **proceed to the next** nearest exit. Do not stand in or block exit doors.
6. **Go to the North parking lot** from whatever door you exited.
7. **Stand clear** of emergency vehicles.
8. **Wait** for an all clear to re-enter the building.
